Re: Proposed Planned Development at 52nd / Cottage
The University of Chicago

Dear Commissioner Mooney:

The University of Chicago has recently briefed me on their proposed Planned Development (PD) application for a University-owned site in the 5200 block of south Cottage Grove. The proposed PD would allow the construction of a new building for the University's Facilities Services staff and space for community related services. I support the PD application as proposed.

Sincerely,

Leslie Hairston
Alderman, Fifth Ward
